PETITION UNDER 37 C.F.R. §1.181

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Applicants herein petition the Commissioner to invoke his supervisory authority to require the examiner to consider all of the references cited in the Information Disclosure Statement filed on January 12, 2006 in this allowed application.

An Information Disclosure Statement in conformity with the requirements of 37 C.F.R. §1.97-1.98 was filed on January 12, 2006. Copies of the Information Disclosure Statement including Forms PTO-1449, International Search Report, and the date-stamped Filing Receipt as well as the Notice of Acceptance of Application dated February 2, 2007 are attached. References AO, AP, and AQ cited in the Form PTO-1449 were never acknowledged or made of record by the examiner.

However, according to a Notice of Acceptance of Application dated February 2, 2007, the U.S.P.T.O. received a copy of the International Search Report which contains the above-noted 3 references, as shown in the U.S.P.T.O. PAIR page.

In accordance with MPEP §609.04(a), where the information listed is not in the English language, but was cited in a search report or other action by a foreign patent office in a counterpart foreign application, the requirement for a concise explanation of relevance can be satisfied by submitting an English-language version of the search report or action which indicates the degree of relevance found by the foreign office. This may be an explanation of which portion of the reference is particularly relevant, to which claims it applies, or merely an "X", "Y", or "A" indication on a search report. As the International Search Report provides an "X", or "A" indication for references AO, AP, and AQ, consideration of references AO, AP, and AQ is respectfully requested.

Although Applicants do not believe that any fee is required for the present petition, any required fee should be charged to our Deposit Account No. 15-0030.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
